

I didn't mean any harm. I thought she liked me. It was just an email. I was joking. I was being friendly. I didn't mean it. It was just a phone call. I thought she was interested in me. I turn him on. She is too sensitive. I only called her a couple of times. She gave me her phone number. She was asking for it. It was only a joke. She's just too sensitive. I was just mucking around. He just has to get used to it. It's not like I touched her or anything. I just called her to say hi. He is not married. She is too sensitive. She suggested it. I thought she liked me.
